WHAT IS ICC

Since 1965, the IEEE International Conference on Communications has established itself as one of the international communications events. ICC brings together scientists and business leaders, academia and industry. ICC highlights both technical and business opportunities at the cutting edge of science and innovation.

THE PATRON OPPORTUNITY

- Maximize and enhance your company's visibility and reputation at a globally leading communications conference
- Network with one of the most influential and powerful engineering audiences in communications technology
- Showcase your cutting-edge technology
- Help shape and participate in Panels and Business Forums

TECHNICAL SYMPOSIA

Cover the entire range of emerging technical themes, which emphasizes the ever increasing utilization of communications technologies in the modern society

EXHIBITIONS

Provide a showcase for leading innovations

PANELS

Allow thought leaders from Industry and Academia to debate the biggest technical and business challenges for communications

TUTORIALS AND WORKSHOPS

Highlight and share in-depth knowledge on hot topics
